

Ain't Nobody

Chaka Khan

Em

Em D
Captured effortlessly
Em D
That's the way it was
C D
Happened so naturally
C D
I did not know it was love

Em D
The next thing I felt was
Em D
You holding me close
C D
What was I gonna do?
C D
I let myself go

Em D C
And now we're flyin' through the stars
D Em
I hope this night will last forever

Em D
I've been waitin' for you
Em D
It's been so long
C D
I knew just what I would do
C D
When I heard your song

Em D
Filled my heart with your bliss
Em D
Gave me freedom
C D
You knew I could not resist

C D
I needed someone

Em D C
And now we're flyin' through the stars

D Em
I hope this night will last forever

Em
Oh oh oh oh

Em D
Ain't nobody

Am C Em
Loves me better

Em D
Makes me happy

Am C Em
Makes me feel this way

Em D
Ain't nobody

Am C Em
Loves me better than you

Em D
I wait for night time to come

Em D
And bring you to me

C D
Can't believe I'm the one

C D
I was so lonely

Em D
I feel like no one could feel

Em D
I must be dreamin'

C D
I want this dream to be real

C D
I need this feelin'

Em D C
I make my wish upon a star

D Em
And hope this night will last forever

Em D
Ain't nobody
Am C Em
Loves me better
Em D
Makes me happy
Am C Em
Makes me feel this way
Em D
Ain't nobody
Am C Em
Loves me better than you

Em D
And first you put your arms around me
Em D
Then you put your charms around me
Em D
I can't resist this sweet surrender
Em D
Oh my nights are warm and tender
Em D
We stare into each other's eyes
Em D
And what we see is no surprise
Em D
Got a feeling most would treasure
Em D
And a love so deep we cannot measure

Em D
Ain't nobody
Am C Em
Loves me better
Em D
Makes me happy
Am C Em
Makes me feel this way
